

The Way of the Psychonaut
Licensing Agreement

This agreement, between Journey of Consciousness LLC and _____
(Licensee), serves as a license for screening the documentary The Way of the Psychonaut.

The Licensee agrees to pay the equivalent of \$5 US per attendee, unless otherwise negotiated to offset venue or platform expenses. After the event, Licensee agrees to provide a report detailing the number of attendees and to pay the licensing amount within 10 days of the close of the event.

If the screening copy is privately owned by the Licensee, Licensee agrees to consider any and all screenings of the film for a group of ten or more to require a license, and therefore, payment of \$5 US (or equivalent) per attendee.

Reporting community screenings and paying the licensing fee honors Stan Grof for his 60 year career. In addition, by engaging in this way with Journey of Consciousness LLC, Licensee is helping to support the continued availability of the Livestream Archives, and other material available through The Way of the Psychonaut's website that is free of charge.
